

## Rules and Procedures for Workshops 2024

The glassblowing process is a thrilling experience, however we need you to follow a few simple rules to ensure a safe and memorable visit.

### Before you arrive:

The glass studio is very warm so do not wear bulky or heavy clothing, a long sleeved cotton shirt is recommended to protect your skin from the heat.

You will be standing most of the time so wear comfortable shoes like sneakers. **Absolutely no open toed shoes, heels, or sandals will be allowed in the hot shop.**

Do not wear **heavy** metal jewelry: bracelets, rings, watches, necklaces, they conduct heat. Wedding rings are OK!

Safety glass are provided. You may wear your prescription eye glasses. Sunglasses can be worn if you are sensitive to bright light.

Please arrive 10 minutes before your scheduled session.

### While you are here:

**Everyone** must sign a waiver/release form before working in the studio.

Most of the equipment is hot to the touch so be careful where you lean or place your hands.

Pay close attention to your instructor: He will demonstrate the entire process and then walk you through each step.

Don't be afraid to ask questions or let him know if you are uncomfortable at any time.

Water is provided for all workshop participants.

Yes, you may take pictures! Feel free to share on social media too.

**Must be 15 or over to participate**  
Anyone under 18 **MUST** be accompanied by an adult.

After you create your own unique glass piece it needs to cool down slowly in the annealer so you will have to come back to pick it up. Usually the next day.
